WANT TO COACH OR HELP COACH?

If you are interested in Coaching St. Gabriel Athletics, please [click here](#) and complete the brief questionnaire. We appreciate your willingness to have a positive impact on the kids. Unfortunately, just by volunteering you are not guaranteed a spot to coach due to CYO limitations on the numbers of coaches allowed per sport. **YOU MUST ALSO BE CURRENT ON VIRTUS, CDP AND BACKGROUND CHECK TO COACH!!!** Classes are below from CYO.

Please note for Volleyball in grades 6th through 8th will have A/B teams – we will have evaluations at a later scheduled date. We know that summer vacations will be impactful but will work with everyone to give them a fair chance.

PRIVIT

Summer is the ideal time to have a physical completed for your son/daughter as you will be compliant for the entire CYO season. Each athlete must have a “current” physical for each sport for the whole season. This means he/she must have had a physical within 13 months or less for each day of practices and games.

Please visit [PRIVT](#) and register your child for the respective sport.

There has been chatter of people thinking that we do not offer the best equipment for the safety of your child in the gear that we purchased. If that is the case, please reach out to John and Barry personally – I can supply facts over fear about equipment. Please also know we have our kids put on the same equipment and would never want our own children in harm due to equipment. We understand that some equipment looks “cooler” or “tougher” than others but

looks are deceiving. So, if you have concerns, please reach out, anytime. We would never want to put your son or daughter in a bad place.

Thank you in advance for your time and commitment to make the CYO Fall sports season a positive experience for the children!

GO GRIZZLIES!
