OCTOBER 8, 2021

TIME WELL SPENT

Dear Parents/Guardians,

I hope you had a good start to a nice long weekend. We are two weeks away from the end of the first quarter (if you can believe it). This "Fall Break" is the perfect time to take a breather as we move closer to the holiday season that will soon be upon us. While your families are recharging at home together this weekend, St. Gabriel School's faculty and staff were busy honing our skills with some professional development.

We spent the day together covering a variety of topics:

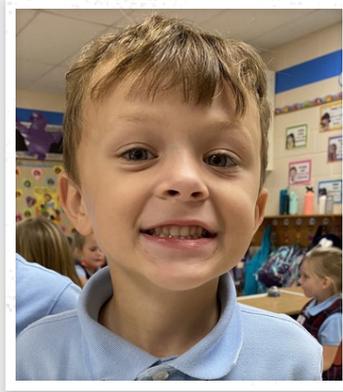

1. Reflecting on the parables of Jesus
2. Practicing team-building activities
3. Consulting with a student behavior specialist
4. Discussing the importance of student-centered education
5. MAP analysis and planning
6. Bloodborne Pathogens Training

Having dedicated time to work on the above important topics is always a blessing as educators often get swept up in the daily demands of a school day. The fruits of our labors can always be found in the smiling faces of our students.

One final note: Monday the school office is closed. Please email any questions or concerns over these next few days, and we will see everyone back on Tuesday!

Take good care and God bless!

Robert Kumazec
Principal

AFTERNOON STUDENT PICK-UP CHANGES

Please note that students will no longer be able to be picked up during daily dismissal: 2:15pm to 2:45pm. Students that need to leave for the day will should be picked up before or after dismissal. All office personnel are busy with our dismissal procedures at this time. Thank you for your cooperation!
