Update on Class Lists

We are working very hard to complete our class lists for each grade level. There are several steps that we go through each summer to make sure the lists offer a balanced homeroom for new and returning students. We are hopeful that we will be able to share these lists with our families in early July.

No School-Wide Summer Work

There is no school-wide summer work. If there is anything specific teachers need completed, we will let those families know.

2023-24 School Year Calendar

2023-2024 School Year Calendar

Two Options for School Supplies for the 2023 - 2024 School Year

Once again this year we are offering a program where school supplies can be bought through the school. You can either buy the supplies on your own, or you can participate in this program and have everything ready at your student's desk!

If you choose to purchase them through the school, you will complete the form below, pay the fee, and that's it! Changes in pricing by grade level may reflect a small increase due to higher supplier pricing. Any profit made by this sale will help assist in paying for new playground equipment, extra curricular activities, school events, and other school related expenses.

Please note that Junior Kindergarten and Kindergarten students are provided school supplies by the school at no additional cost to families.

All orders must be completed and paid in full by Friday, June 30th.

School Supplies Order Form - DUE by Friday, June 30th
