Important Message from the School Administration

We are looking forward to a wonderful night at the Lake Metroparks Farmpark. Please help us enjoy the time with our students and each other by being positive representatives of St. Gabriel School. All children should be supervised by a parent at all times. The Farmpark staff and volunteers are present to help with the attractions and not watch our students. Please respect all the Farmpark staff and PTU volunteers by listening to any directions and/or rules that are posted. We are guests at the Farmpark and we need to be as cooperative and responsible as possible while we are on their property. We want all families to be safe, and have a fun night out together. Thank you and see you there!
