Alpha

Join the St. Gabriel community and invite your friends to Alpha. We will journey together and discover, or rediscover, Jesus Christ. Alpha is a series of sessions exploring the basics of who Jesus is. Each session looks at a different question that people can have about faith and is designed to create conversation. It is just an open, informal and honest space to explore and discuss life's big questions together.

Mondays from Feb 4th to Apr 8th 6:30 PM to 8:30 PM
