

Attention 7th-Grade Families!

It's not too early to start thinking about high school! Join members of Gilmour's administration, faculty, athletic department and admission team for an information session and head home with an ice cream treat. We'll be talking about all the opportunities that await your child at our Upper School as well as everything you need to know about the fall admission process.

Gilmour is Northeast Ohio's only independent and Catholic school, giving your child the benefits of both – kind of like getting the cherry on top of your ice cream sundae!
