

# High School Application Process

January 3, 2023

Dear 8th Grade Parents/Guardians,

Catholic high school application kick-off has arrived. Thank you for your continued commitment to Catholic Education!

As we piloted last year, the Diocese of Cleveland is using an online system for the 2023-24 High School Application. This application should be filled out by students and parents together. The parent will need to start the application and create an account for him/herself. The student should fill out the Student Activities Page and the Essays Page. The Essays should be typed by the student and in the student's own words. Both the student and the parent must sign the application.
