

Each year we invite students to participate in Cub Scouts through St. Gabriel Parish. With this years circumstances a leader has not stepped forward. We did however, receive this communication from Cubmaster John Poggemeyer from St. Mary Assumption Parish and wanted to share it with you.

I am the Cubmaster of Pack 3075. We are chartered by St Mary's of the Assumption Church in Mentor. I've been a member of our pack for 6+ years, and have 4 boys in the pack. We have a great group of app. 30 youth (boys and girls) and a very active pack. We have implemented a safe set of protocols (our local Scout Council has a set of protocols in place as well, for COVID's sake) and we are starting our 2020-2021 scouting year with a bang!

Recently, we have had several families reach out to us from the St. Gabe's Cub Scout Pack (3166). The local Scout Council indicated that there are still a large group of Cub Scouts registered with the Pack at St. Gabes, but sadly, there is no one who is able to step up and become the Pack Cubmaster.

I reached out to our local Scout Council, and they suggested that I offer our pack as a home for those that would like to continue with the Cub Scouting program. We have started to take the steps to reach out to the Pack members of 3166 to offer them a spot, should they want it, in our Pack. We are excited and hopeful that other scouts from the Pack at St Gabe's will do the same. For more information click on the flyer listed below.
