## 2021-2022 Tuition Announcement

Dear St. Gabriel Families,

Thank you for all your continued support. We appreciate you walking with us as we live our school mission each and every day hand-in-hand with our students & Christ. There have been both challenges and blessings throughout these past several months, but one thing stands out the most and that is how each member of our Grizzly Community has worked hard to make our time together the best it can be. Not a day went by this year, whether in school or distance learning, where we did not witness our students, parents, and teachers being Christ through acts of kindness, works of mercy, and student achievement.

As we begin to look to the 2021-2022 school year, we have worked with the St. Gabriel Business Office and the Parish Financial Council to plan our school budget. Part of that process is balancing the income and expenses of the school by setting the tuition, which makes up almost 80% of our income.

Through prudent financial decision making and careful planning, we decided to set the 2021-2022 tuition at \$4,955. The registration fee will remain \$125 for K - 8 students. Junior Kindergarten's registration fee will remain \$500 with \$125 of that amount earmarked for the 2022-2023 Kindergarten registration fee.

The tuition for next school year was a 1.7% increase from the year before. This is the lowest increase the school has seen in the past twelve years. We have been working very hard to make sound financial decisions and provide the most value in every tuition dollar. We know our families work hard to provide for their children, and we are honored to be part of this investment in their future.
