Placement Exams:

This year, Lake Catholic will be offering the OLSAT 8 as our placement exam. The exam will be one hour long, offered in-person at Lake Catholic. Scholarships will be awarded to top scorers. Students can opt to take their placement exam as part of their shadow day, and still be considered for scholarships as long as it is on or before November 9, 2022. Let the Admissions department know if you would like this option.

The test is available for current 8th graders only. The test must be taken at Lake Catholic to be considered for scholarship & can only be taken one time.

The Placement Exam is not a requirement for students seeking admission.

Personal Family Tours

Personal family tours can be scheduled with a member of our Admissions department as a way for your family to experience our building in person this school year! These one-hour tours give you a chance to see our building in action and include time for Q&A with our admissions team.
