

## **Catholic Schools Week 2023 Outline**

### **Theme: Glorify the Lord!**

Whatever you do, do it all for the glory of God.  
Corinthians 10:31

To glorify God is to mirror His image, which is to love, and to love generously, as He does. No one can glorify God as perfectly as Christ did, which is why we are in need of His mercy, but to believe in Jesus is to believe not only what He did for us but in the wisdom of the life that He modeled for us.
