

PTU UPDATE

December 7, 2022

Advent Blessings!

The Santa Shop Elves have been very busy getting ready for Friday. We are looking forward to a fun and festive day of shopping, crafts and popcorn! [If you would still like to volunteer please sign up here- we still have slots available.](#) Thank you for all of the gift wrapping donations.

The numbers are in! The Craft Boutique and Basket raffle made close to \$25,000 for our school! This money allows for field trips, special education requests and projects, building needs, classroom funds for Teachers and much more. Thank you everyone for your support in the return of this event.

We hope everyone is having a wonderful Advent and Christmas season. We are blessed to have such an amazing school community.

The PTU

p.s. remember the fun dress down days below :)
