Fall Blessings!

What a great Fall we are having! Thank you Michele Detore, Beth Roebuck, and Amy Sabath for all of your hard work to make our Mumkins fundraiser extremely successful! Also, thanks to all of our volunteers who worked tirelessly to sort and prepare close to 900 mums for pickup. And thanks to all who participated.

Save The Date! As a member of the St Gabriel School Community, you are already a member of the PTU. We will be having an open meeting on **October 18th at 6:00 pm.** Everyone is welcome. More details will follow next week.

Many of you may be familiar with the Craft Boutique - it's a great event! For those of you that are unfamiliar with this event, attendees will enjoy perusing the many different items our crafters and artisans have to offer. There will be holiday decorations, home décor, baked goods and SO MUCH MORE! It's a great way to put a dent in your Christmas shopping - there's sure to be something for everyone! This year is a one-day event, **Saturday, November 12** and we need help. Please consider either the ***Section Point Person*** positions below or a worker bee role (that sign-up will be out soon).

Read more information below about the Point Person Positions and Used Uniform events coming soon!

Many hands make light work for all!

Thank you,

The PTU Board

Christmas Craft Boutique Looking for Section-Point People

These section-point people would be in charge of these small sections of the Christmas Craft Boutique. A larger sign-up genius will be out soon that will have volunteers that will work within these small sections while being guided by these Point People. ***Please consider these important roles (all fun with a friend) and sign up on the link below.***

Section: Kitchen (2 needed):

Looking for two people to purchase ready made items to sell from snack area. Responsibilities include shopping/ordering and managing this section of the Craft Boutique. Food will be simple cash and carry items.

Section: Map Placement (2 needed):

Looking for two people to help the chairperson greet crafters, set them up with student volunteers, and show them where their booth is.

Section: Sign Hanging/Take Down (2 needed):

Looking for two people to follow map and directions to hanging signs (we already have signs) and taking them down and back in storage. There are approximately 30 signs.

Sections Set Up/Break Down:

Two people who will be familiarized with the map for table placement will work with entities like CYO and Boy Scouts and maintenance to place tables and then return tables to storage.
