

Dear St. Gabriel School Families,

I hope you and your families are having a great start to the new year. It has been a joy to have your students with us this year, and we are proud of all they have accomplished during our first semester. Whether it has been their academic achievement, participating in service leadership opportunities, or enriching their relationship with God, we have watched our Grizzlies learn and grow each day. [Please see this link for the State of the School Address in case you missed it last Thursday night.](#)

As we dive into the second semester, we begin planning for the upcoming 2026-27 school year. After meeting with the approval of the parish finance council, we are able to share that our tuition for next school year will be \$6,600, and registration fees for the upcoming year will be \$500 for junior kindergarten students, \$300 for kindergarten students, and \$125 for grades 1 to 8. Both junior kindergarten and kindergarten provide school supplies, daily snacks, and other services for our students that warrant a higher fee. The tuition and fee increase combined in grades 1 to 8 would be 3.92% from our current school year.

Our tuition covers the majority of expenses for our school each year. In fact, \$0.91 of every tuition dollar goes directly back to our students through instructional costs, student services, or improvements to their learning environment. In the last several years, our tuition increases have funded:

- School Safety Officer (full-time)
- School Counselor (full-time)
- Dean of Student Life and Leadership (full-time)
- Contributing costs to new boilers, windows, HVAC system

This upcoming year we hope to increase teacher compensation to be able to compete with other Catholic schools and public-school districts. We believe that our school offers a wonderful community and ample resources for our teachers. ***We hope you find the registration and re-enrollment process streamlined.*** We are doing our best to make it as easy as possible. ***Here are the re-enrollment instructions for returning students and if you have new siblings joining us for next year:***
