

# Registration 2019.20

St. Gabriel School

## 2019.20 Registration and Fees Due March 1st

Dear St. Gabriel Family,

It is with deep gratitude and great hope that I welcome you to the second semester of our year together. In choosing St. Gabriel school you have demonstrated a commitment to the values and philosophy of a Catholic education for your child. The faculty and staff want to thank you for that commitment. It is our mission to continue to work hard and to grow with your children as we promote spiritual development and academic excellence in the context of the teachings of the Catholic Church. Some of the highlights and blessings from our first semester include:

- Embracing the “Leader in Me” framework for all grades to create a culture of personal responsibility
- Improving math scores on our MAP testing and showing growth in all areas
- Putting the finishing touches on our Innovation Center so our students can enjoy their weekly STEM lessons
- Living our Catholic faith with new initiatives such as our weekly middle school Service Class and the “Living” All Saints Day Mass
- Enhancing our after school club offerings to include a variety of new opportunities for student development in both academic and extra-curricular offerings
- Streamlining our weekly school communications, and sharing a weekly video highlighting all the engaging lessons and educational events
- Increasing instruction time for our junior high students with the additional STEM class offerings
- STREAM EXPO coming in April and Camp Invention to be offered this summer sponsored by the National Inventors Hall of Fame

**Seeing is believing!**

**You are invited and encouraged to attend 11:30 a.m. Mass and our Catholic Schools Week Open House on Sunday, January 27th from 12:30 - 2:30 p.m.**

A child’s education is a partnership between parents and our school staff. None of the above accomplishments could happen without the positivity and active support of our parent community. Thank you for being that gift to our school. Christ is indeed living and working through us every day, and everywhere.

**The value of Catholic education is immeasurable in our world today.** In order to continue providing a stellar Catholic education to all of our students, we need your continued good faith and patronage. We are asking all families to register for the 2019-2020 school year by March 1st. After careful analysis and financial planning, the following tuition and fee structure for the 2019-2020 school year can be found below:

### **Tuition**

- JR K through GR 8 tuition of \$4430 per student for St. Gabriel Parish members

### **Fees**

- Junior Kindergarten Instructional Fee \$840 per student (prepays next year's Kindergarten instructional Fee)
- Kindergarten-GR 8 Instructional Fee \$295 per student
- Non Parishioner Fee \$1000 per student

We recognize that Catholic education is a worthwhile investment in your child's future. We are very mindful of what it costs to create an amazing education for our students, and our financial planning reflects making the most out of these tuition dollars.

Tuition assistance is available to parishioners who qualify for aid. In order to be considered for tuition assistance families must complete the [online FACTS application](#) for tuition assistance. Funding is provided by both the Diocese of Cleveland and St. Gabriel Parish. The online FACTS tuition application must be completed in order to see if assistance is available. If there is financial hardship for any reason, please reach out to us. We will do our best to keep your student at St. Gabriel School.

Thank you once again for all the time and energy given to your child to make Catholic education possible.

Peace and Blessings,

Mrs. Ulrich
